AN AUGUST IDYL

There was a piper who had a cow,
And he had no hay to give her;
so he took up his pipes and played her a tune,
Consider, old cow, consider."

In this month, named for Augustus and scored to Signus, it might be well to consider just what's best for the body to array itself in, and where's the best place to buy it. If our frequent admonitions have had the effect intended, the old nursery rhyme will be recest thus:

If every lady in this good town, Would do as Wisdom doth bid her; She will soon show her face at our elagant place, Consider, good folks, consider.
